SUMAN DEBNATH

SOFTWARE DEVELOPER AND UI/UX & GRAPHIC DESIGNER

Hi! I am Suman Debnath and I am a Programmer and Designer currently pursuing Bachelor of Engineering in Computer Science Engineering from SGSITS, Indore. I am a Programmer, Web Developer and Graphics and UI/UX Designer. I have 4 years of experience in Programming in C/C++, Java and Python. My text-stack for Web Development includes HTML, CSS, JavaScript, Bootstrap, React.JS, Node.JS and MySQL. I am currently working as the UI/UX Designer for a Fintech startup where I designed the prototype of the mobile app using Figma.

I also actively pursue Graphic Designing. I have experience using Adobe Illustrator, Adobe Photoshop, GIMP, Adobe XD and Figma. I am also working as Graphic Designer for two of the most popular clubs of my college namely, GS Production House and Computer Club of Shri G. S. Institute of Technology and Science. I also work as a Web Developer for E-Cell, SGSITS where my role is to manage and create new webpages for the website.
